

**Building Value For 67 Years**

# THE Raymond Report

Spring 2019

## **Featured Project**

# **24 Hour Fitness – McKinney**

1601 North Hardin Boulevard  
McKinney, Texas

**T**he Raymond Construction team was pleased to build the fast-growing city of McKinney's first 24 Hour Fitness gym. The 37,000-square-foot super sport gym's amenities include cardio equipment and free weights, group cycling and group exercise classes, personal training areas, an indoor lap pool, whirlpool, sauna and steam rooms, non-regulation basketball

## **Project Team**

Shell Developer: Eric Seitz – Seitz Group

Shell Architect: Melissa Cabre – Cabre & Associates

24 Hour/Interior Architect: Steve Meier – sma+architects

Senior Project Manager: Brandon Fuller

Assistant Project Manager: Matt Wiskur

Site Manager: David Galyon

court, Olympic training rig, a pro shop, TRX suspension training, turf zone and a signature kids' club. 24 Hour Fitness is ready to help you reach your 2019 fitness goals.

The McKinney facility, located at 1601 North Hardin Boulevard, will join 39 others in the state of Texas and more than 420 across the nation.

A ground breaking for Visual BI Solutions' new corporate headquarters in Plano, Texas.

## New Facility For Visual BI Solutions

The Raymond Construction team is thrilled to be working with Visual BI Solutions as they expand their corporate headquarters in Plano, Texas.

Visual BI is a niche global business intelligence and analytics solutions firm, enabling innovation and challenging the way business is run through technology products and out-of-the-box thinking.

Their new, 20,000-square-foot corporate offices will be located at 5920 Windhaven Parkway in West Plano. Look for an update on this project in an upcoming issue of the *Raymond Report*.
